Application form	http://www.ulima.edu.pe/sites/default/files/page/file/exchange_students_application_form.pdf (To be filled out by hand).
Deadline	Six weeks before the beginning of the semesters.
Mandatory Health Insurance	Before their arrival, students must submit copy of the policy of a health care insurance for the entire duration of their stay as exchange students (from the day of their arrival in Lima until the date of their depart to their country). This insurance must

	include ambulatory attention and hospitalization through direct credit at private hospitals in Peru.
Official exchange visa	Universidad de Lima will arrange an official exchange visa for exchange students, through the Peruvian Ministry of Foreign Affairs. In order to start the procedure, students shall submit the following information at least six weeks before their arrival in Lima: - Scanned copy of the air ticket to Lima; - Scanned copy of their passport; - Address of the student residence/house where the student will live in Lima. We will notify the students when the visa is ready (about one week before their arrival in Lima) so that they can pick it up at the Peruvian Embassy/Consulate in their country. This official visa is granted for three months. About a week before its expiration, we will also arrange the renewal. As the official visa is granted exclusively for academic purposes, the return flight must be scheduled no further than August 29, 2016, for students who will study in 2016-1 and January 16, 2017, for students who will study in 2016-2. Students may also enter Peru as tourists. As the tourist visa is granted for two or three months, once this time elapses, they could ask for a change of their migration status. This process costs about US\$ 100. Our Office will provide them with official documents from ULima but is mandatory to bring any certification of sources of financial support (letter of support from parent, family member or sponsor; bank statement or bank letter certifying funds are available or letter of scholarship award. All the documents have to be translated into Spanish). Remember working is not permitted with a student or tourist status. Tourist visas are no longer renewable. The official fine is US\$ 1.00 per day. https://www.migraciones.gob.pe/index.php/cambio-de-calidad-migratoria/
Typical credit load per course	3-4
Standard number of semesters for completion of BA	10 semesters (5 years), the students have to complete 209 credits, except for Law Faculty, who must complete 257 credits in 6 years.
Credit system	One ULima credit is equivalent to one hour of taught classes a week throughout the semester, or at least two hours a week of practical classes. The semester has 16 weeks of classes. Courses could have from 2 to 4 credits depending on the difficulty level, from low to high. The ULima credit is different from an ECTS credit. Some European partners use this equivalence: 1 ULima credit = 1.5 ECTS.
Grading	The grading system is from 0 to 20; any grade under 11 is considered as a failing mark. Grades are computed according to the following: Partial or Mid-Semester Exam (30%), Academic Evaluation (30%) and Final Exam (40%). The academic evaluation totals the sum of different

	elements such as group works, research projects, exercises, and class participation.
Transcript Issuance	Sent directly to home university, about one week after the end of the examinations week.
Housing	As on-campus accommodation is not available at ULima, students may choose among the <i>Housing Options</i> listing attached. Students may ask for close assistance in case they feel like they need it.
Pick-up airport service	Free pick-up airport service the day of arrival of students. Students should ask for this service at least two weeks before their arrival date.
Spanish course	Three weeks immediately before the start of the semesters, Universidad de Lima offers an intensive (daily) Spanish crash course for exchange students. We need students to confirm their participation in this course in order to state it in their acceptance letters, and include the dates it will take place.
Academic advising	An Academic advisor will assist students during the enrolment process with the selection of courses. Students are allowed to add, change or withdraw from courses only up to the first week of classes.
